

Hot Springs in the City – Hotel Chinzanso Tokyo Announces New Plan

The new Urban Oasis Stay plan allows guests to freely enjoy its award-winning spa facilities along with a limited-time bamboo lantern display and firefly viewing.

TOKYO, April 25, 2023 – One of the only hotels in Tokyo offering hot springs, Hotel Chinzanso Tokyo is launching a new plan for tranquility-seeking travelers.

[YU, THE SPA](#), the hotel’s award-winning spa, comprises a hot spring bath, spa treatment facility, indoor pool, sauna, and fitness gym. The onsen (hot spring) water is brought from Ito, a city famous for its excellent onsen resorts.

The new plan, called [Urban Oasis Stay](#), was created in response to the huge increase in overseas guests and inbound tourism to Japan. It allows guests to enjoy all of the spa facilities without needing to book separately. As one of the only hotels in Tokyo with hot springs, it also provides guests a rare opportunity to experience a Japanese onsen without leaving the city. Bookings start from two nights.

After relaxing at the onsen spa, guests can enjoy a meal at one of the hotel's traditional Japanese restaurants or take a stroll through their expansive Japanese garden, which changes with every season.

This spring and summer, Chinzanso Garden is featuring a *takeakari* bamboo lantern display as part of its 70th anniversary celebrations. Visitors can walk through the 82-foot (25-meter) path from the garden's traditional watermill to Japanese restaurant Mokushundo, lined with 40 *bombori* bamboo lanterns and 14 *takemari* bamboo ornaments.

The bamboo lanterns continue into the camellia and moss garden, located behind the pagoda, and on the hotel's rooftop garden, Serenity Garden. The illuminations are on display from sunset until 11 pm daily from April 10 to September 18, 2023.

Guests who visit from May through June are in for a special treat. The garden will be lit up not only by the bamboo lanterns, but also by the 10,000 fireflies that inhabit the garden in early summer. This year's firefly season is from May 19 to July 2. More information can be found [on the hotel website](#).

About Hotel Chinzanso Tokyo

[Hotel Chinzanso Tokyo](#) is one of the city's most iconic luxury hotels with 70 years of history. The property includes 267 guest rooms/suites, nine restaurants, 38 meeting/banquet rooms, and a full-service spa with a Japanese onsen. Its award-winning garden has a wide variety of botanicals, including more than 100 cherry trees and 1,000 camellia trees. The standout feature of the garden is the 'Tokyo sea of clouds,' a recreation of the natural phenomenon that can usually only be found in the mountainous regions of Japan. The hotel is owned and managed by Fujita Kanko Inc., a publicly-traded tourism industry corporation headquartered in Tokyo.
